

## **LETTER FROM NHTI Women's Soccer Coaching Staff**

---

Thank you for considering New Hampshire Technical Institute for your future educational career. Obviously, this next decision in your life will be one of anticipation, anxiety, and quite certainly, one of great excitement. It's a choice that will affect the rest of your life. Your decision to attend a college is not an easy one. It requires looking at all the information and objectively determining which school best meets your individual needs.

The NHTI Women's Soccer coaches hope you will take the time to closely examine the advantages that NHTI can offer you. We are recognized as a leading community college of higher education. Few schools can match the dynamic academic environment, beautiful campus, small class sizes, and a commitment to a strong athletic department that you can find at NHTI. NHTI is fully accredited, offering associate degrees and certificates in 62 programs including business, computers, criminal justice, education, engineering technologies, human service, dental, liberal arts, nursing and health-related fields. Visit NHTI's web sit at [www.nhti.edu](http://www.nhti.edu) to explore more on our academic programs as well as our intercollegiate sports. At NHTI you will not only have an opportunity to play soccer but also to participate in many other intercollegiate sports as part of the NHTI advantage!

We at NHTI are always interested in quality student-athletes. NHTI has established an outstanding reputation in both academics and athletics. We will be the first to point out our successes both in the classroom as well as on the soccer field. The Capital's are a rising program with one of the most competitive schedules playing in the YSCC and the USCAA, with opponents in the NAIA, NJCAA and Division III NCAA level. NHTI has redirected its program by committing to excellence and building a new program with young people such as yourself. Our program is looking for quality student-athletes who can make an immediate impact in our competitive soccer team while pursuing a degree. The program can only improve by recruiting successful athletes with a good soccer background. If you are interested in being part of a winning tradition at NHTI, embrace the challenge and continue with the application process.

A NHTI education is not only an exciting and worthwhile college experience, but also a tremendous investment in your future. If you are a serious student and serious soccer player who would like to be part of a successful soccer program, a program that desires to improve each year, then the NHTI Capital's look for a strong consideration from you! The best way to experience NHTI is to visit the campus. When doing so, compare our institution to other schools and you'll see that NHTI provides strong commitment to excellence in education, facilities, and overall student body opportunities. We strongly recommend you attending an Open House or talking with an admission representative by calling **603-271-7134 or 1-800-247-0179**. Please complete the following inquiry form, and send any player profile, summer or school schedule, coach's recommendation, and videotape of your playing ability that you may have. We look forward to hearing from you soon and talking to you more about New Hampshire Technical Institute! GO CAPITALS!

NHTI Women's Soccer Successes and Commitment:

**2001, 2002, 2003, 2004, 2005 and 2006 YCSAA, NNESCC and YSCC Champions**

**USCAA National Tournament Appearances - 2003, 2004 (3rd place nationally), 2005 (played in the national invitational championship game)**

**Women's Soccer has had numerous USCAA All-Americans and has also earned the highest Grade Point Average of any team at NHTI with more USCAA Academic All-Americans than any other team!**

NHTI has made a commitment to our players that we will create the best environment for our players to grow. If your goal is to play in our successful program then we will do all we can to achieve that. We also have a number of players that make NHTI a starting point to their collegiate careers and then move onto other college programs. If your goal is to make the leap to a larger school/ NCAA division I, II, or III soccer program, then we again will do all we can to help you achieve that. Our coaching staff and athletic administration is always working to graduate the best student athlete we can.
