# Semester Break 2012

## Intensive Course Format

Complete a college course in just One Week!

In order to provide new and innovative ways for students to accomplish their educational objectives, we are offering the opportunity to complete a three-credit course in one week of full-time study. **Students will be expected to complete reading and other assignments *in advance of the first class meeting*** and may have an outside assignment due after the class ends. This format is most appropriate for **motivated, focused and self-disciplined** college students.

**Registration for all intensive courses ends two weeks prior to the start of each course.** Classes meet for five days from 8:30 a.m. to 4:30 p.m. *with the exception of IT 108 H which meets 7 days.* All courses are 3 credits and the tuition is \$690 (with the exception of IT 108 H which is \$750).

Financial Obligation Statement -- I understand by registering for courses at NHTI, I am financially obligated for ALL costs related to the registered course(s). Upon a drop or withdrawal, I understand I will be responsible for all charges as noted in the student catalog and handbook. I further understand that if I do not make payment in full, my account may be reported to the credit bureau and/or turned over to an outside collection agency. I also understand that I will be responsible for the cost of the outside collection agency, any legal fees and any bounced check fees, which will add significant costs to my account balance.

Refund Policy -- Students who officially withdraw from NHTI or an individual course by the end of the fourteenth (14th) calendar day of the semester will receive a 100% refund of tuition, less non-refundable fees. Students in classes that meet in a format shorter than the traditional semester (15-16 weeks) will have seven (7) calendar days from the designated start of the class to withdraw for a full refund, less non-refundable fees. If the seventh (7th) or fourteenth (14) calendar day falls on a weekend or holiday, the drop refund date will be the first business day following the weekend or holiday. Exception: students in courses that meet for two weeks or fewer must drop by the end of the first day of the class in order to receive a 100% refund, less non-refundable fees. [Please note that certain fees are non-refundable. Non-refundable fees are defined as advance tuition deposits, admission application fees, residence hall room deposits, payment plan fee, orientation fees.
