

## NHTI Women's Soccer Program

### *Can you imagine not playing soccer?*

Catherine Rodriguez (Merrimack, NH)

NHTI's women's soccer team has become one of the nation's perennial national powers among two-year colleges, competing regionally and nationally in the US Collegiate Athletic Association (USCAA). Building on their success each year in the regional Yankee Small College Conference (YSCC), the Lynx have set a USCAA National Championship as their goal.

Under the direction of Coach Steve Ambra, NHTI nurtures an environment where student athletes can excel academically and competitively. NHTI is recognized as a leading community college of higher education. Few schools can match the dynamic academic environment, beautiful campus, small class sizes, and commitment to a strong athletic department. At NHTI you will not only have an opportunity to play soccer but also to participate in many other intercollegiate sports as part of the NHTI advantage!

The Lynx soccer team is a program on the rise with a highly competitive schedule versus 2 and 4 year colleges in New England and the Northeast. We are looking for quality student-athletes who can make an immediate impact in our competitive soccer team while pursuing academic excellence.

If you are interested in being part of a winning tradition at NHTI, embrace the challenge and contact us to learn more.

- 109 wins, 45 losses, 8 ties
- 7 YSCC championships in 10 years.
- 6 USCAA national championship tournament appearances.
- Highest GPA of any team on NHTI campus.
- More USCAA Academic All-Americans than all other teams.
- Develop individual skills within a team setting to foster a life-long love of soccer.
- Soccer is a game for life.

**NHTI, Concord's Community College**, is a fully accredited, public community college located in the heart of New Hampshire. NHTI serves students, businesses and the community by providing excellent academic, technical and professional education. The benefits of NHTI:

- Affordable
- Accessible
- Transfer Opportunities
- Full Campus Experience

NHTI offers 62 associate degrees and certificates in business, computers, criminal justice, education, engineering technologies, human services, nursing and other health sciences, general studies, visual arts and liberal arts. NHTI's academic facilities allow hands-on learning that, combined with internship and clinical experiences, prepare students for the work force or to continue their education at public and private four-year colleges and universities.

NHTI's 240-acre campus located just off I-93 is an easy commute and offers residence halls, a new student center and library, and recently expanded cafeteria and food court. With more than 30 student clubs and organizations, a full student life program, and intercollegiate and intramural athletics, NHTI offers a complete campus experience.

NHTI is accredited by the Commission on Institutions of Higher Education of the New England Association of Schools & Colleges, Inc.
