

Finding Information on **Economics**

If you need assistance at any point in your research, please contact a reference librarian at nhtireference@ccsnh.edu or by phone at 603-271-7186.

To find books, CDs, and DVDs in the library

The **Library Catalog** can be accessed via the library's homepage:
www.nhti.edu/library

> **Click on the On-Line Catalog button**

(The catalog can also be accessed directly at:
www.library.ccsnh.edu)

Search tips: Search for books in the library catalog (see also General Research Guide). Start with a keyword or subject search. Select Concord as your location. When you find an interesting book, look at the subject headings in the record.

By selecting any one of those links, you can refine your search to include all books with that particular subject heading. Be sure to write down shelf location and call number to locate the book.

Library	Shelf Location	Call Number	Item Status
Concord	General Collection	HC106.83 .L5 2010	Available

Examples of keywords: business, capitalism, labor, macroeconomics, markets, microeconomics and work

Browsing: You can also browse the shelves at the library. The books in the library are organized by the Library of Congress Classification system, which uses letters and numbers as a code for a subject. This code is referred to as the call number. The following LC classes will be helpful: **HB- Economic Theory HC- Economic History & Conditions**
