NHTI, Concord’s Community College, is a fully accredited, public community college located in the heart of New Hampshire. The benefits of NHTI:

- Affordable
- Accessible
- Transfer Opportunities
- Full Campus Experience

NHTI offers over 90 associate degrees and certificates in business, computers, criminal justice, education, engineering technologies, human services, nursing and other health sciences, general studies, visual arts and liberal arts. NHTI’s academic facilities allow hands-on learning that, combined with internship and clinical experiences, prepare students for the work force or to continue their education at public and private four-year colleges and universities.

NHTI’s 240-acre campus located just off I-93 is an easy commute and offers residence halls, a new student center and library, and recently expanded cafeteria and food court. With more than 30 student clubs and organizations, a full student life program, and intercollegiate and intramural athletics, NHTI offers a complete campus experience.

NHTI is accredited by the Commission on Institutions of Higher Education of the New England Association of Schools & Colleges, Inc.
