Must meet all of the following eligibility requirements for Academic Amnesty:

1. I have not taken any courses at NHTI for a period of at least 3 years from the last semester of attendance.
2. I am applying for Academic Amnesty before the start of my second semester after readmission.
3. I have never before received Academic Amnesty.

Please note that Academic Amnesty is designed for students who exhibited poor academic performance during previous attendance. It is not designed for students who achieved a cumulative GPA above 1.7 during previous attendance.

I would like to exercise my option for Academic Amnesty and I understand that the following guidelines will be applied to my academic record:

1. All grades taken during my previous time at the Institute will no longer be used to calculate my new cumulative GPA. However, grades of C- and above taken during my previous time at the Institute will be used to meet course requirements (where appropriate). Previous grades of D+, D, and D- for courses which are required in my new program must be retaken.
2. Even though my previous grades will not be used to calculate my new cumulative GPA, they will remain on my transcript.
3. Previous grades will be used to evaluate "satisfactory academic progress" for financial aid purposes in accordance with Federal Financial Aid Regulations.
