**Applicants are required to submit an essay of 1-2 pages.**

*Please complete electronic research of the field of dental assisting. Some websites:*  
[www.adausa.org](http://www.adausa.org), [www.ada.org](http://www.ada.org), [www.danb.org](http://www.danb.org).

*Consider and address the following questions:*

- *Why do you believe that Dental Assisting is the career for you?*
- *Describe the responsibilities of the Dental Assistant in the dental office. What are the advantages to being a Dental Assistant?*
- *What knowledge, and skills are required to become and practice as a Dental Assistant?*
- *What other members of the dental health care team do dental assistants work closely with, and why do you think this is necessary?*

*Do not limit your response to these questions. In your essay, include any patient care experience you may have, or if none, describe patient care as related to the dental assistant. Please list links to all sites used.*

Once completed, this packet and essay must be submitted to:
