

Start Here, Finish There!

UNH has partnered with NHTI – Concord's Community College to offer a Pathways Program that allows you to smoothly transition to a wide variety of bachelor's degree programs on the Durham campus. Transfer pathways are currently in place for the following programs:

- Biochemistry, Cell and Molecular Biology
- Biology
- Business Administration
- Bioengineering
- Civil Engineering
- Computer Engineering
- Computer Science
- Electrical Engineering
- Economics B.A.
- Economics B.S.
- English
- English Journalism
- English Literature
- Genetics
- History
- Hospitality Management
- Mathematics
- Mathematics Education/Primary and Middle School
- Mathematics Education/Secondary School
- Medical and Veterinary Science
- Medical Laboratory Science
- Medical Microbiology
- Neuroscience and Behavior
- Physics B.A.
- Physics B.S.
- Psychology
- Social Work
- Statistics
- Studio Art
- Studio Art/Art History
- Studio Art/Art Education

Academic guidance sheets [online at UNH's transfer website](#) show you exactly which courses to take while enrolled as an NHTI student for seamless transfer to the program of your choice.

Transfer Scholarships Are Available!

For Students Transferring to Any UNH Degree Program

Associate Degree Transfer Scholarships: Full-time students transferring to UNH from any associate degree program with at least 24 transferrable credits and a cumulative GPA of 3.5 or higher are eligible to receive a transfer scholarship of \$3,000/year, renewable for up to three years. See the [UNH Admissions website](#) for additional details.

Associate Degree Transfer Achievement Scholarships: Incoming students transferring to UNH with a completed associate degree and a cumulative GPA of 3.5 or higher are eligible to receive a transfer scholarship of \$5,000/year, renewable for up to three years. See the [UNH Admissions website](#) for additional details.

The Granite Guarantee: The Granite Guarantee covers the cost of tuition for Pell-eligible students transferring as full-time students to UNH from any campus of the Community College System of New Hampshire. Students must be New Hampshire residents and must be transferring directly. This program bridges the financial gap between a Pell Grant recipient's total federal and state aid package and the cost of in-state tuition. Qualified students must be enrolled full time. For more information, visit [the UNH Granite Guarantee website](#).

For Students Transferring to the UNH College of Life Sciences and Agriculture

Pathways to Professions in the Biosciences Transfer Scholarships: Each year, graduating NHTI students transferring to any degree program in the College of Life Sciences and Agriculture at UNH are eligible to apply for a P2P Transfer Scholarship. Awarded on the basis of merit and need, up to 10 scholarships of up to \$10,000 each are awarded each year. P2P scholarships are renewable for a second year upon successful completion the first and are funded by the National Science Foundation S-STEM program.

For Students Transferring to the UNH College of Engineering and Physical Sciences

NH BioMADE Transfer Scholarships: NHTI students transferring to the Bioengineering, Chemical Engineering, or Mechanical Engineering degree programs at UNH-Durham are eligible to apply for a NH-BioMADE Transfer Scholarship. Upon transfer, selected students are eligible to receive \$5,000/year for up to three years. Scholarships are awarded on the basis of both merit and need and are funded by the National Science Foundation EPSCoR program. Up to six scholarships are awarded to CCSNH graduates each year.
