### NHTI Welcome Message

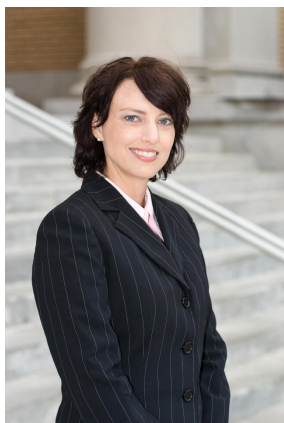

A new year and a new opportunity. A fresh start, a blank slate. The chance to begin again and go in a different direction. Be who you are meant to be. Drink more water.

These statements ring true to many of us at the start of the new year, the hard part is remembering them as the days pass and life gets complicated. 2021 is starting out a bit rocky and complicated but here at NHTI, we are putting our efforts into making 2021 all it can be for our students, alumni and our community.

We are implementing even stronger and more holistic support services for our students so they are successful inside and outside of class. We are planning more outreach to our alumni to hear how you are doing and to gather feedback on your journey since leaving NHTI. We are also strengthening our connections in the community to be part of the workforce solution, help build the local economy, and be a good neighbor.

Thank you for staying connected to NHTI as we jump into 2021. We appreciate you!

## **New Visual Arts Fund Created**

The Visual Arts Fund was created by an anonymous donor who has been a long-time supporter of the NHTI Visual Arts Program. This Fund will be used to enhance the visual arts program for facility and/or construction needs or the purchase of equipment and supplies, which will benefit of the faculty and students in the Program.

Donations are being accepted to build-up this Fund in order to support our visual arts program and students for the long-term. If you would like to donate, you can do so [online](#) or my contacting [Laura Scott](#) for more information.
