

The origin of Women's History Month can be traced back to a woman led protest over working conditions in NYC factories on March 8, 1857. Yet, it wasn't until over a century later, in 1987 that Congress established National Women's History Month in March.

NHTI's Cultural Exchange Club is a student-run organization on campus devoted to exploring issues of culture, language, and diversity. It is open to any NHTI students and faculty members interested in bringing together the diverse cultures of NHTI. Spring is usually the busiest time for the CEC. This spring semester, we have re-started the Conversation Partner Program to help native English speakers and English Language Learners facilitate cultural exchange. On April 6, we are also hosting NHTI's 21st Annual Multicultural Day Event, complete with a virtual fashion and talent show, and PowerPoint slides depicting cultural food, artifacts, and pictures of homelands. We are looking for students, staff and faculty members who would like to be a part of the event-- if you have any talent, or want to share traditional clothing, food, or pictures of where you are from, we want you to be part of our event! Please contact Rhi at rsuarez@ccsnh.edu or Rosie at rhughessmith@ccsnh.edu, co-advisors to the CEC, for more information on how to be involved. Votes will be tallied and the winners announced March 28th at 12pm.

We are actively seeking interested students, staff, and faculty members who would like to share more about the state, territory, or country they are from. Submissions from the U.S. are welcome. Do you have any talents you would like to showcase (singing, dancing, painting, playing instruments)? Would you like to be a part of a virtual talent or fashion show? We want you to be a part of our event! Please contact Rhi at rsuarez@ccsnh.edu or Rosie at rhughessmith@ccsnh.edu for more information.

You can also fill out a sign-up form for the event at the link below and Rosie or Rhi will reach out to you:
