Tuition cost estimates are based on full-time course load (12 credits for both Fall and Spring semesters) and the in-state tuition rate of \$215 per credit. If you live more than 50 miles from campus (and outside N.H.), the tuition rate may be higher (see [Tuition Costs](#) for more info).

Fees are estimated based upon the \$25 per credit comprehensive fee, and one course per semester that has a \$110 academic instruction fee (see [Tuition Costs](#) for more info).

- **Direct costs** are estimated and will appear directly on your tuition bill. See [How to View and Pay Your Tuition and Fees](#) for more info on how to view your bill.
- **Indirect costs** are estimated, and will not appear on a tuition bill, but are costs that students will likely incur.
