How did NHTI – Concord’s Community College determine which students will receive funds?

For grant consideration, students were required to complete a simple application by logging into the Student Information System ([SIS](#)).

Students were notified to complete the application and indicate categories (up to 8) of Coronavirus related financial impact. Application categories:

- Tuition, Fees, Books & Supplies
- Child Care
- Food
- Health Care (including Mental Health)
- Housing
- Internet Access
- Technology
- Utilities

Students who selected the “Tuition & Fee” category were awarded an amount equal to half of the billed tuition (excluding fees). Selection of any of the other categories resulted in a \$250 per category award.

How did students receive their funds?

Applicants were asked to select a payment option during completion of the application, and provided with these instructions:

- Option 1: Apply to my student account to pay tuition, fees, books for any semester(s) beginning after December 27, 2020; (For LRCC & NHTI students only - will also apply to room & board charges.) Excess funds will be refunded via check (mailed to address on file) or direct deposit.
- Option 2: Pay directly to me via check (mailed to address on file) or direct deposit. Do not apply to my student account.

If you are awarded CRRSA financial assistance and have chosen the direct payment method, the fastest way to receive funds is through direct deposit (DD). If you have not previously set up DD, copy and paste the following link into a new window, and follow the instructions “How to Sign up for Electronic Refunding” <https://www.ccsnh.edu/paying-for-college/resources/ccsnh-student-refunds/>.”
