

Ordering Transcripts

Running Start, eStart, Early College

NHTI has partnered with the National Student Clearinghouse (NSC) to provide online transcript ordering for our students and alumni.

Current students or former students with an **EasyLogin account** may order an official transcript by logging into the [Student Information System \(SIS\)](#).

Alumni and former students may submit transcript requests directly to [The National Student Clearinghouse \(NSC\)](#). Gain access by using either a Student ID or Social Security Number then follow the online prompts.

NOTE: *Electronic transcripts are not available for attendance prior to Summer 1991.*

Transcripts are typically processed within 48 hours of receipt, but during peak periods (such as the start or end of semesters) processing may be delayed.
