

RADIATION THERAPY PROGRAM PROSPECTIVE STUDENT PACKET

Eligibility for Radiation Therapy Program Interview is contingent upon submission of the following prior to the Admissions Department deadline of **March 4, 2022**:

1. **Application to NHTI.** This can be submitted online at www.nhti.edu or through Admissions Department. Current NHTI students in the General Studies program must complete a "Change of Program" form through their academic advisor
2. **Academic Transcripts** demonstrating completion of prerequisite coursework and any prior college coursework; see the Radiation Therapy program page on NHTI website for Specific Admission Requirements
3. **Application Essay.** Submit this cover page with your completed essay. Review the essay instructions below.

Name: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Home Phone: _____ Cell Phone: _____

E-mail Address: _____

Applicants are required to submit a research essay of 1-2 pages. Please complete electronic research of the field of radiation therapy. Websites to review include (but are not limited to): www.asrt.org, www.arrt.org, www.acs.org.

Consider and address the following questions:

- Why are you convinced that Radiation Therapy is the field for you?
- Do you see Radiation Therapy as an interim step into another field?
- Please describe the different areas for Radiation Therapy and explain what areas interest you most?
- Please describe any experience you may have with patient care and if none please describe the level and impact of patient care within the field of radiation therapy.

Do not limit your response to these questions. Please list links to all sites used.

Once completed, this form and essay must be submitted to the Admissions Office. They can be mailed to the address below or submitted via email to dgarnett@ccsnh.edu or nhtiadmissions@ccsnh.edu.
