Welcome to the accelerated program for your certificate in Accounting – Advanced from NHTI. You're on the path to getting your certification faster and joining the workforce with the education you need to further your career. Accounting is a critical component of every type and size of business and industry including government, healthcare, education, not-for-profit, and military organizations. Accounting employees provide much of the information used by these organizations to make critical financial decisions.

## Start in Fall, Spring, or Summer Semester

Accelerated programs offer the flexibility and adaptability to start during any given NHTI semester of courses (see *program paths, back*). You can begin and finish your certificate when it's most accessible for you, and we are here to help you every step of the way. The

Accounting – Basic certificate is the prerequisite.

## Job Opportunities

The Accounting – Advanced certificate is a terrific step in greater immersion and depth of understanding in the field of accounting. The field of bookkeeping, accounting, and auditing is growing exponentially across the U.S and employees with these skills are in high demand.

## Continue Your Professional Growth

The credits you earn in this certificate directly contribute to your future associate degree in Accounting at NHTI. To become a certified public accountant, you'll need to complete the associate degree in Accounting and bachelor degree at any of the colleges with which NHTI has an articulation agreement – ensuring that every class you take at NHTI is transferable to your bachelor degree.

## NHTI – Concord's Community College

NHTI is a dynamic public institution of higher learning that provides accessible, rigorous education for students, businesses, and the community. We create pathways for lifelong learning, career advancement, and civic engagement, offering 80+ academic programs to 4,600+ students annually. NHTI is a member of the Community College System of New Hampshire and since 1969 has been accredited by the New England Commission of Higher Education, a nongovernmental, nationally recognized accrediting agency.
