Welcome to the accelerated program for your associate degree in Business from NHTI. You're on the path to getting your degree faster and joining the workforce with the education you need to begin your new career.

This Business program prepares you for the challenges of the dynamic business field. We offer a broad background, and our associate degree curriculum includes courses in accounting, business law, human resources, computer applications, economics, English, and math.

Full-Time and Part-Time Plans

Accelerated programs offer the flexibility and adaptability to be a full-time or part-time student and to start during any given NHTI semester of courses (see program plans, back). You can begin and finish your degree when it's most accessible for you, and we are here to help you at every step along the way.

Your Evolving Education

Once you have your associate's degree, you can choose to further your education with a bachelor's degree! The NHTI Business program has the following articulation agreements in place that offer you an easy transition where all your credit may transfer: Plymouth State University, Southern N.H. University, UNH-Manchester, Rivier University, and New England College. Several students have also successfully transferred to other colleges such as Bentley University and Bryant University.

Career Opportunities

This program prepares you for entry-level jobs as a customer service representative, loan officer, marketing assistant, office manager, and retail manager. The entry-level salary for those with an associate degree in Business is \$20.82 per hour, or \$43,300 per year.

NHTI – Concord's Community College

NHTI is a dynamic public institution of higher learning that provides accessible, rigorous education for students, businesses, and the community. We create pathways for lifelong learning, career advancement, and civic engagement, offering 80+ academic programs to 4,600+ students annually. NHTI is a member of the Community College System of New Hampshire and since 1969 has been accredited by the New England Commission of Higher Education, a nongovernmental, nationally recognized accrediting agency.
