Welcome to one of the most versatile degree programs at NHTI! The Liberal Arts associate degree program gives you broad knowledge and skills in arts and sciences, which can be applied to careers and further study. This path provides you the option to transfer to public and private colleges to complete your BA degree in a Liberal Arts area; a starting point, especially if you are undecided on your future career path; and the ability to complete the needed prerequisites for other NHTI programs, such as Engineering, Biology, and Health Science.

Transfer Opportunities

The New Hampshire Dual Admission program offers you a seamless path from NHTI to the University System of New Hampshire. The Liberal Arts program has the following transfer agreements: Colby Sawyer College, Plymouth State University, New England College, University of New Hampshire, Rivier College University, Franklin Pierce University, Granite State College, and Southern New Hampshire University.

Career Opportunities

Today's employers rank critical thinking and communication skills above technical aptitude as essential components of career readiness¹. Says one official, "Liberal arts study helps students develop strong foundational competencies. It gives them tools to succeed beyond their first job." With your Liberal Arts degree from NHTI, you'll gain these highly sought-after skills to pursue a wide range of job opportunities.

Salary Potential

You have a wide range of careers at your fingertips with a Liberal Arts education, which means there are a wide range of salary options. Degree recipients report high career satisfaction.
