The Business Administration program prepares you for the challenges of the dynamic business field. We offer a broad background, and our associate degree curriculum includes courses in accounting, business law, human resources, computer applications, economics, English, and math.

Degree and Certificate Options

This program offers the Management certificate, and courses are directly applicable to an associate in science degree. Online, day, and evening courses are available, and the program is accredited by the Accreditation Council for Business Schools and Programs. Easy transfers are available to Plymouth State University, SNHU, UNH-Manchester, Granite State College, Franklin Pierce University, and Rivier University.

Career Opportunities

Employment of management occupations is projected to grow 7% through 2028¹. Potential jobs include customer service rep, loan officer, marketing assistant, office manager, and retail manager.

Salary Potential

Jobs in business administration have a wide range of hourly wages. Entry-level positions as office managers average \$21.66, with experienced salaries reaching \$39.56.²
