FREE TRAINING

Cisco's Learn-A-Thon
with NHTI

Looking to explore the worlds of cybersecurity and data science?

This is your chance! Join NHTI – Concord's Community College for 2 **FREE** 6-hour self-paced online courses available to all community members:

Intro to Cybersecurity

You will learn cybersecurity basics to protect your personal digital life and gain insights into the biggest security challenges companies, governments, and educational institutions face today. Cybersecurity professionals who can protect and defend an organization's network are in high demand.

Intro to Data Science

You will learn the basics of data science, data analytics, and data engineering to understand how machine learning is shaping the future of business, healthcare, education, and more. Data science professionals who can provide actionable insights for data-driven decisions are in high demand all over the world.

Courses Run April 16-25, 2024

Students will receive digital badges for completion and grade achievements.
